Is there any difference between the white filter and the brown filter Marlboro Lights?

Yes. The first are made to match the taste of American smokers while the second are suited to European tastes. Philip Morris does not provide any other information on this matter. According to smokers (and suggestions), the "white filters" may be slightly stronger. There is only one way to find out. Try them!

Will you be offering other brands in the future?

Yes. The number and type of available brands may change in time.

Delivery

What countries do you deliver to?

We deliver to USA only.

How long does the delivery take?

Delivery times are 9-18 days for Ukraine made cigarettes, 11-20 days for Russian made cigarettes and 3-6 working days for USA made ones.

What are your delivery rates?

The shipping rates are \$5.95 per carton for any European (Ukraine, Russia) made cigarette brand and \$6.95 for Usa made cigarette brand.

Are the mailing times shown on site guaranteed?

No. Air Mail delivery can be affected by mailing problems in the destination US state. But we meet mailing problems so rare that no statistics can be made out of this.

If I place an order on Saturday, when my order will be sent?

When we receive orders we guarantee to ship them in 2 working days (usually it takes not more than 36 hours). Orders placed on Thursdays are processed on Fridays and shipped on Mondays. Orders placed on Fridays, Saturdays and Public Holidays are processed on the first working day after reception and shipped on the second day. The day and time when your order was packed and shipped you'll receive by special e-mail. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and/or the order items. In such cases you must immediately send us an e-mail with your changes. Please don't forget to quote your order number when writing about changes in your order.

I bought twelve (6 and 6) cartons of cigarettes one week ago and I have received only one parcel of 6 cartons. Is that normal?

Yes. The cartons are shipped in parcels (one parcel contains not more than 6 cartons for King Size and 8 cartons for Slims) within 2 days but in rare cases they reach destination together. The time between the first and the last parcel delivery is in average 5 to 10 days for the United States.

Do you deliver by any couriers? (e.g.: DHL, UPS, TNT, etc.)

No. We work with the European AirMail only.

Can I track my order?

No, as the parcels are sent by AirMail there are no trackings.

First of all, we have no setup, yearly or any other fees. The only fee you pay is the cost of your cigarettes and the shipping/handling fee.

Placing your order is easy, you just pick as many cartons of those brands you want your order to contain as you wish, and then finalize your purchase.

However, please note that we don't accept orders for more than 12 cartons from the first time customers. As soon as you receive your first order and the payment history is established, you are welcome to order as much as you wish.

Also, you must be at least 18 years old to order.

Payment:

So far, you can pay with a credit/debit card of companies from our list only. We now consider introducing a new payment option. As soon as we decide for it, we will make it available on our site.

As for charges on your credit card, please note that *all the prices listed in our store are in US dollars and the amount charged from your credit card must be equal to the amount for cigarettes bought.*

Our processing company, who carries out all the procedures with customer's credit cards, is working with AUS dollars and in very rare cases, due to the currency conversion, an extra-charge of about a dollar may appear on your credit card statement. If it's so we are always happy to return the extra-charge taken, you have only to let us know about it.

[To the top](#)

Chargebacks:

We will not tolerate credit card chargebacks and any customer attempting or threatening to do this will be immediately barred from making any future purchases on this website as well as having their card blacklisted among processors. *If there is a problem we will always seek a solution resulting in either a refund or a reship in line with our structured reship and refund procedure.*

Delivery:

Please note that *we deliver to the USA only.*

We send our orders by certified/registered airmail. Please note that we don't provide courier and express delivery. All parcels contain no indications of its contents on the package.

The delivery usually takes 10-20 days, and orders of more than 3 cartons come in separate parcels. Generally, the maximum time between the first and the last parcel of the same order arriving is 2-6 days.

[To the top](#)

Customs:

The declared value and weight of our parcels comply with the prescribed international terms. The parcels are sealed and cannot be opened for postal inspection. However, *in those rare cases when our parcels are seized, we issue a full refund to the customer.*

About our products

Q Are the cigarettes sold at Cigarettes4Smokes.com first choice?

A The cigarettes sold at Cigarettes4Smokes.com are of the highest quality available on the market. We sell brands made in Europe.

[top]

Q Do you sell other brands of cigarettes in addition to those advertised at your site?

A Not currently. The only brands we sell are shown on the Home page.

Q Is there any difference between the white filter and the brown filter Marlboro Lights?

A Yes. The first are made to match the taste of American smokers while the second are suited to European tastes. Philip Morris does not provide any other information on this matter. According to smokers (and suggestions), the "white filters" may be slightly stronger. There is only one way to find out. Try them!

Q Will you be offering other brands in the future?

A Yes. The number and type of available brands may change in time.

[top]

Delivery

Q What countries do you deliver your products?

A We deliver to USA only.

Q How long does the delivery take?

A Delivery takes 10-18 days.

Q What are your delivery rates?

A Delivery rate is \$6.65 per 1 carton.

Q Are the mailing times shown on site guaranteed?

A No. Air Mail delivery can be affected by mailing problems in the destination US state. But we meet mailing problems so rare that no statistics can be made out of this.

Q If I place an order on Saturday, when my order will be sent?

A When we receive orders we guarantee to ship them in 2 working days (usually it takes not more than 36 hours). Orders placed on Thursdays are processed on Fridays and shipped on Mondays. Orders placed on Fridays, Saturdays and Public Holidays are processed on the first working day after reception and shipped on the second day. The day and time when your order was packed and shipped you'll receive by special e-mail. Please, notice that we do not ship orders within 24 hours to give you a possibility to change or update your postal address and/or the order items. In such cases you must immediately send us an e-mail with your changes. Please don't forget to quote your order number when writing about changes in your order.

Q I bought twelve (6 and 6) cartons of cigarettes one week ago and I have received only one parcel of 6 cartons. Is that normal?

A Yes. The cartons are shipped in parcels (one parcel contains not more than 6 cartons for King Size and 8 cartons for Slims) within 2 days but in rare cases they reach destination together. The time between the first and the last parcel delivery is in average 5 to 10 days for the United States.

Q Do you deliver by any couriers? (e.g.: DHL, UPS, TNT, etc.)

A No. We work with the European AirMail only.

Q Can I track my order?

A No, as the parcels are sent by AirMail there are no trackings.

[top]

Legality

Q Is it legal to resell cigarettes ordered from Cigarettes 4 Smokes .com ?

A No. This is against the law in any country of the world.

[top]

Q Is it illegal to order a large quantity of cigarettes, for example, 50 cartons?

A The quantity of cigarettes that can be purchased at Cigarettes4Smokes.com is left to the discretion of customers who must be aware of the laws in force in their country and the sanctions they may incur if their intention is to resell cheap cigarettes. It is the responsibility of the Buyer to ascertain and comply with the laws relating to the purchase and use of any tobacco goods. In order to determine the applicable limits on purchases or taxing responsibilities, if any, imposed by your particular state, the consumer may want to contact their state authorities.

[top]

Customs

Q Do you guarantee that no duty will be paid worldwide?

A We cannot guarantee that no tax will be paid worldwide because some countries may occasionally apply the international postal regulations and standards. In the USA, parcels containing 200 cigarettes are exempted from taxes.

[top]

Guarantee

Q Will I get my money back or have the goods replaced if the parcel is lost, stolen or damaged?
